SIA News and Filing Headlines:

- STATE OF THE SATellite INDUSTRY REPORT "RELEASES AND BRIEFING" SET FOR WASHINGTON ON JULY 11TH

On July 11th, SIA will host its “State of the Satellite Industry Report "Release and Briefing" set for Washington on July 11th. The Satellite Industry Association (SIA) will release its annual financial and economic report to the satellite industry, regulatory and legislative stakeholders, as well as the media.

The annual report includes industry financial and economic data, trends and issues impacting the satellite industry, as well as a forecast for the future of the satellite industry.

The report will be released in conjunction with a 10th anniversary event featuring keynote speakers, panelists, and discussions on the future of the satellite industry.
