SIA MODERATES SPECTRUM AND GOVERNMENT & DEFENSE PANELS AT 2019 SMALLSAT SYMPOSIUM

During the week of Feb 4th, SIA President Tom Stroup joined several SIA member company speakers at this year's Smallsat Symposium - Silicon Valley held in Mountain View, CA. Mr. Stroup moderated two panels at the 2019 event including the Smallsat Government and Military Panel (above) and the Spectrum Use Panel later in the week. To view a copy of this year's Symposium agenda and a full list of speakers and moderators, please see the Smallsat Symposium link [HERE](#). (Photo credit: 2019Smallsatshow.com)

SIA Welcomes Envistacom as its Newest Member

On Feb 5th, SIA announced that Envistacom had joined SIA as its latest affiliate member. Envistacom is a leading provider of satellite communications and cyber solutions to the U.S. Department of Defense (DoD) and its coalition partners in the aerospace, defense and intelligence communities. In October 2017, the company opened the Envistacom Innovation Center (EIC) in Duluth, GA to facilitate the development of new technologies to enhance the company's communications and counterterrorism capabilities and customer solutions. Already at full capacity, the 35,000 square foot facility provides Envistacom with innovative engineering and testing facilities for new solutions in the counterterrorism, cyber security and satellite communications arenas. "Envistacom is one of the fastest growing technology companies in Georgia, and SIA is pleased to announce they have joined the Association's growing list of affiliate member companies," said Tom Stroup, President of SIA. "Their expertise in DoD and Cyber also makes them a welcome addition to the Association as SIA continues to expand and suitably represent the growing importance and functionality of the commercial satellite industry." For more details regarding SIA's newest affiliate member, please see the SIA News Page [HERE](#).
