### Trends - A Look at the Latest Happenings in the Satellite Industry

Welcome To Trends – A regular feature of the SIA newsletter highlighting the latest trends in the satellite industry. This month's column is from the desk of Stuart Daughtridge, executive committee chairman of the Satellite Industry Association and vice president of advanced technology for Kratos Space, Training and Cybersecurity. In today's column, Mr. Daughtridge discusses the satellite industry revolution taking place in space - and on the ground.
