SPECIAL FEATURE - THE SATELLITE INDUSTRY AND COVID-19

This month's Trends column, a regular feature of the SIA Newsletter, is replaced by a special feature focusing on the role that satellites and SIA members are playing in the fight against the COVID-19 pandemic. As the world endures an unprecedented crisis, satellites are providing a host of communications, business continuity, broadcast, navigation, remote imaging and other vital services critical to public health and safety and community well being. Read the SIA website special feature [HERE](#).
