SIA News and Headlines

On Dec 12th-14th, SIA and co-sponsor United States Space Command (USSPACECOM) hosted the 2023 DoD Commercial SATCOM Workshop at the Hyatt Regency Crystal City in Arlington, VA. The Workshop annually brings together government leaders from various DoD agencies and the commercial satellite industry. Rear Admiral Tracy L. Hines (top right), deputy director, Information Warfare, U.S. Space Command, Peterson Space Force Base and SIA President Tom Stroup delivered opening remarks. The Workshop featured a satellite industry exhibitor hall, numerous industry panels, (bottom right) along with a keynote address and fireside chats. NOTE: U.S. Space Command co-sponsorship of this event does not constitute federal endorsement of SIA or any other sponsors of this workshop.
