SIA News and Headlines for March

SIA Celebrates 25th Anniversary Satellite Industry Leadership Dinner

"More than 80 per cent of the next World Radiocommunication Conference in 2027 (WRC-27) will be space-related" ITU Secretary-General Doreen Bogdan-Martin

"Satellites may be in our skies, but they are the anchor tenant in our communications future" FCC Chairwoman Jessica Rosenworcel

On Mar 18th, SIA was honored to have International Telecommunication Union Secretary-General Doreen Bogdan-Martin (center-left) and Federal Communications Commission Chairwoman Jessica Rosenworcel (center-right) provide the keynote addresses at SIA's Satellite Industry Leadership Dinner. The Dinner was co-hosted by SIA Executive Chair Julie Zoller of Amazon Kuiper (left) and SIA President Tom Stroup (right). For all the details and copies of the complete remarks of both Keynote Speakers, please click [HERE](#). (Photo Credit: Image courtesy of Michael Carpenter Photography)

- **SIA** Commends FCC for Continued Recognition of Growing Importance of Satellites and the Need to Facilitate Integration of Satellite and Terrestrial Networks
- **SIA** 2024 Leadership in Government Award Presented to US Space Force 18th and 19th Space Defense Squadrons for Roles in Space Domain and Situational Awareness
- **SIA** Successfully Organizes Government and Military Track Panels and US Government Exhibitor Hall Tours at SATELLITE 2024

SIA March Newpage

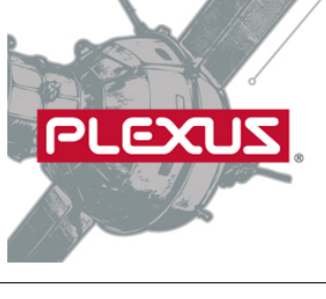

Thank You to All the Moderators and Panelists for Their Participation and Support of SIA's Government and Military Panels at Satellite 2024

March 18-21, 2024 | Walter E. Washington Convention Center | Washington, D.C.
